Uuuugh...

You okay, babe?

I can taste
my headache,
but I'm okay.

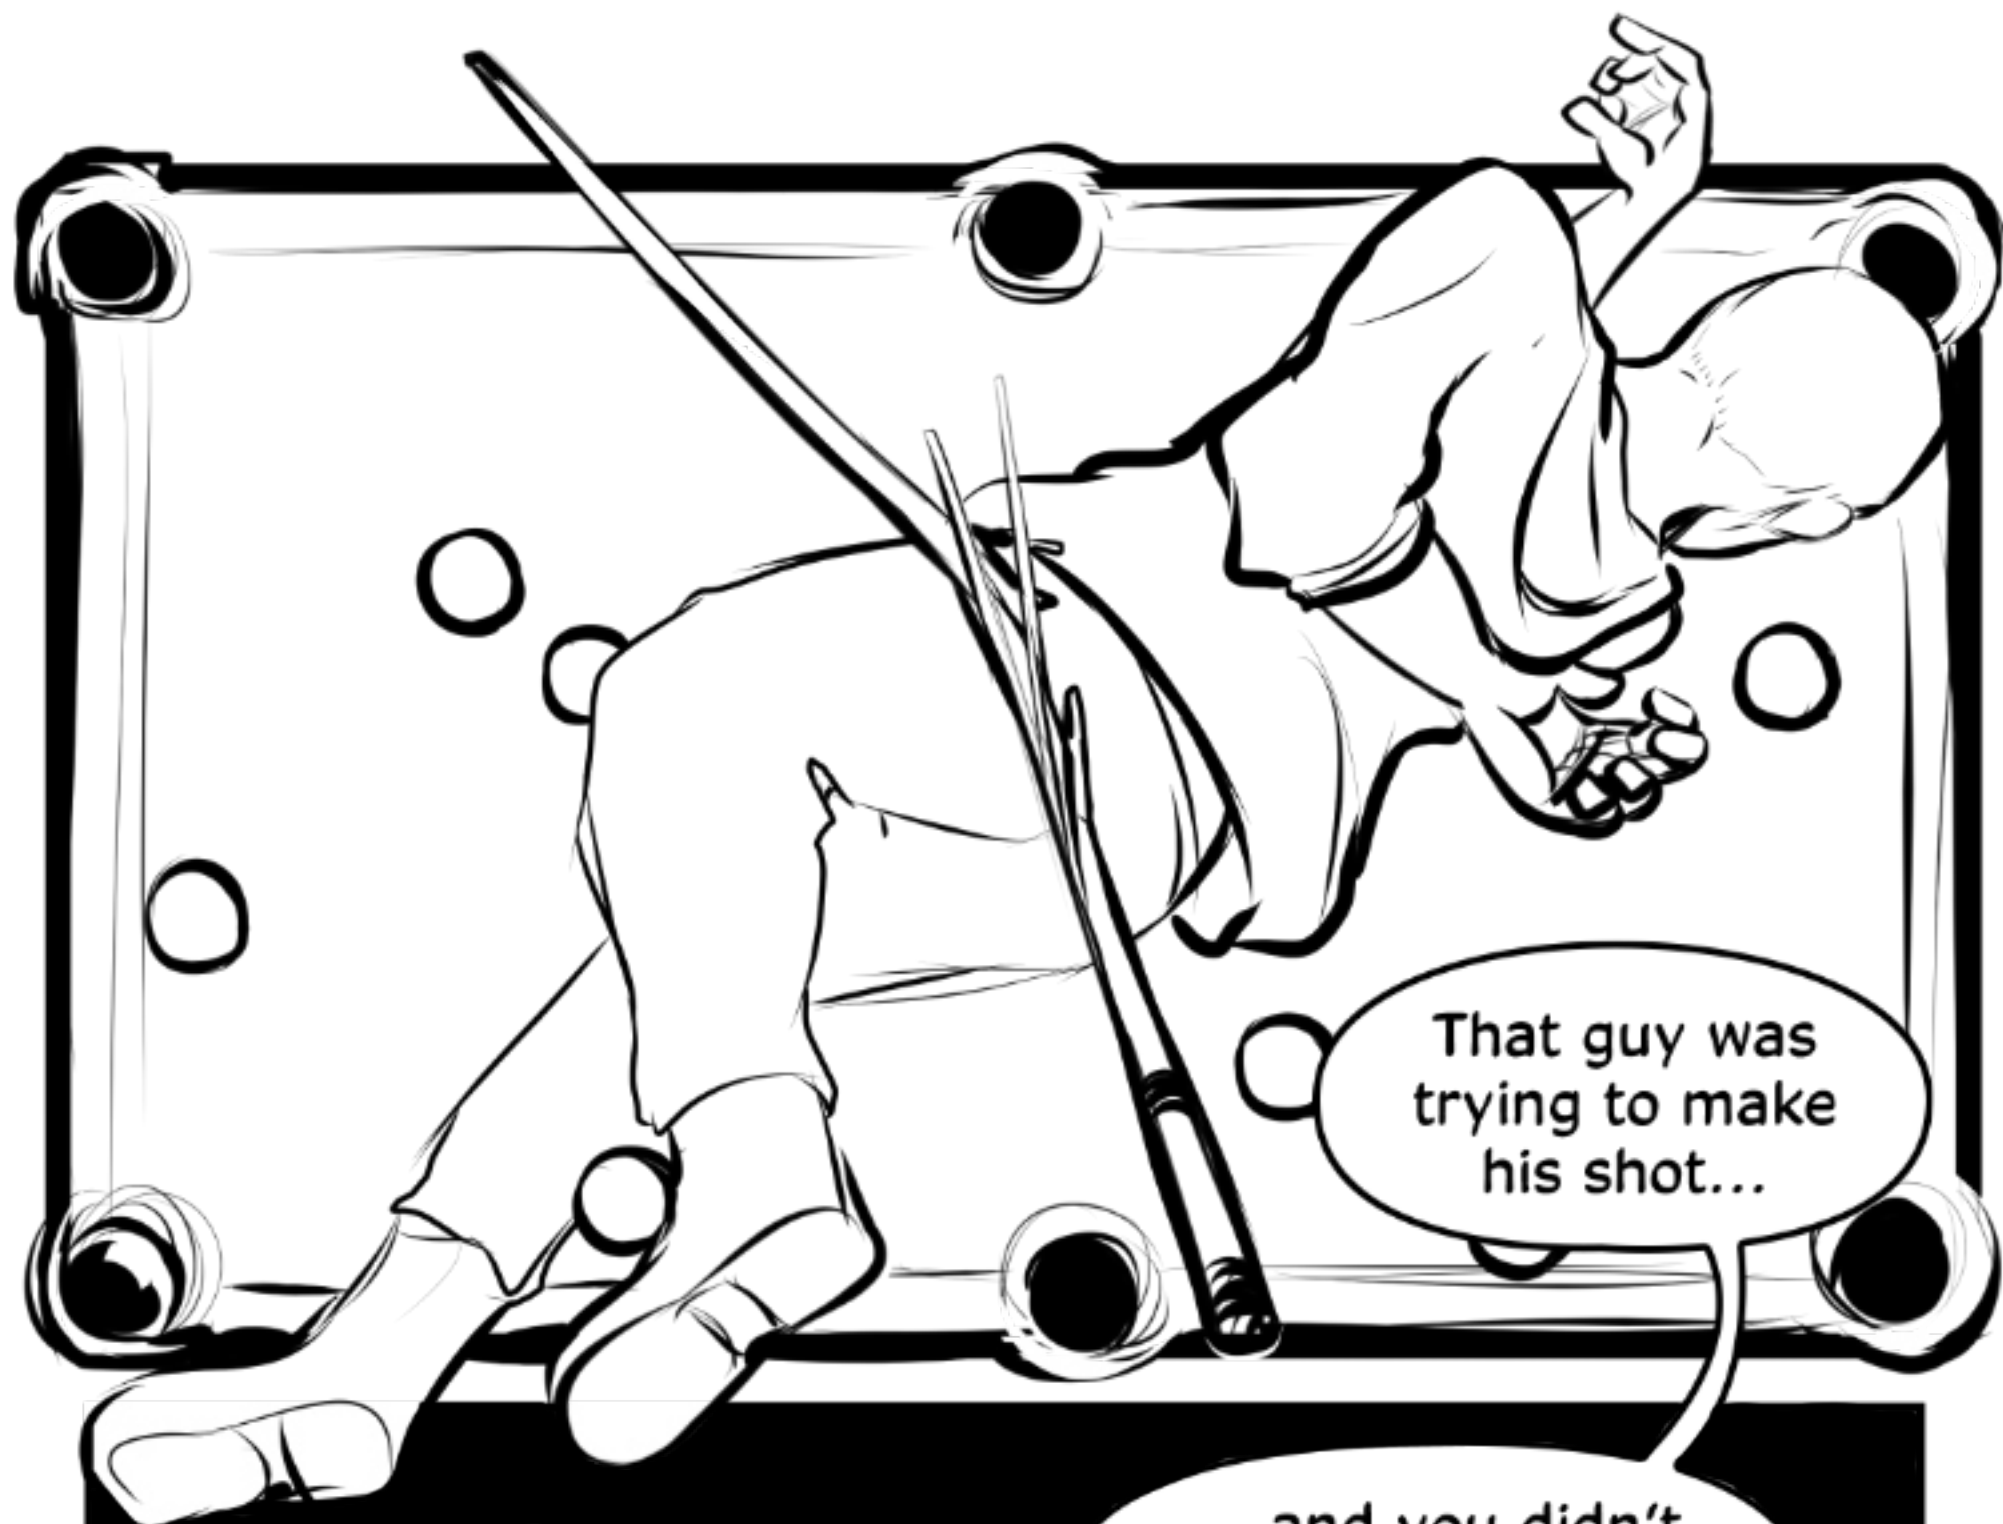

What happened?

Uh, lemme
add this up...

SILVER BULLET

We made a
bit of a mess.

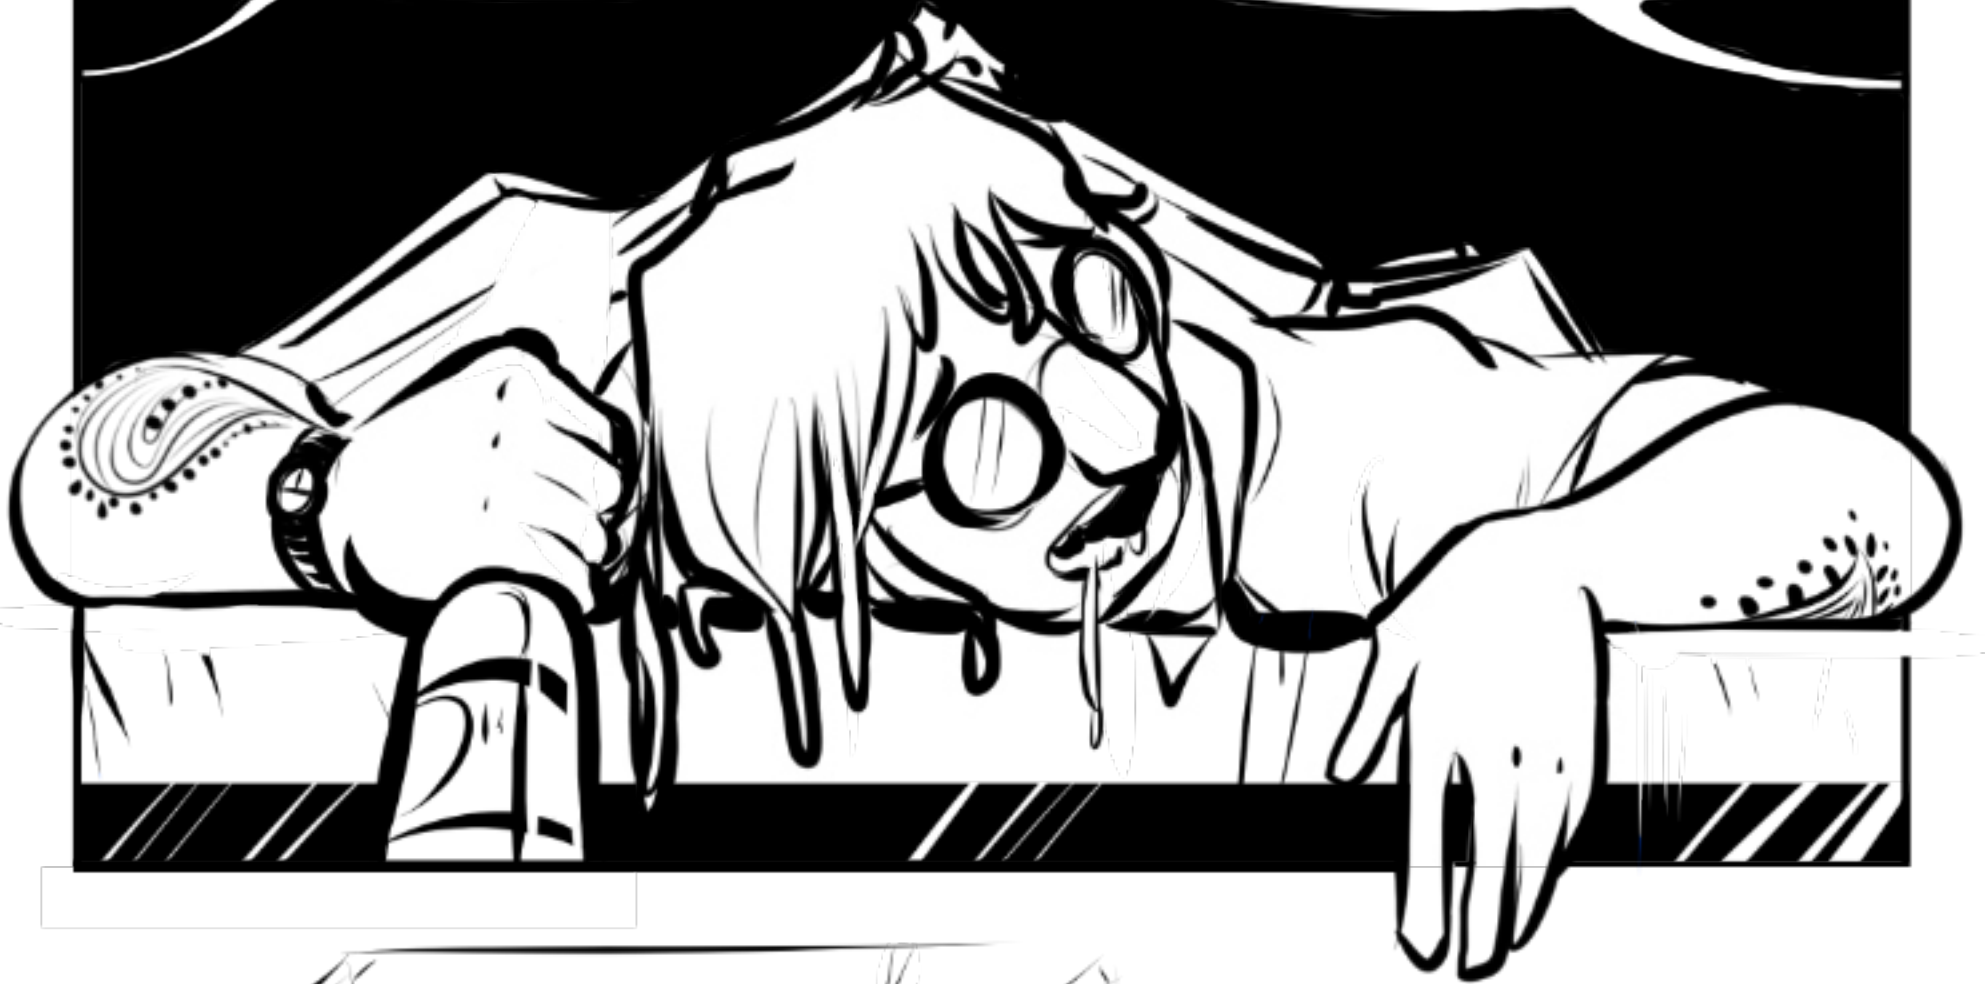

That guy was trying to make his shot...

...and you didn't appreciate his friend hitting on you...

...and the barkeep tried to break it up...

Ooooh, I didn't mean to hit him. I should tip.

...and the man in the back said... something...

...and *that* guy managed
to call the police.

So...

...we should
probably be
leaving.

Yeah, we
probably
should.
