

ASK THE
WEREWOLVES

MINI COMIC #2

NOT FOR PRINT OR RESALE

...And you're *sure* no one comes here after dark?

Yeah, cause the lights don't work. But that's no problem for us.

Night vision or not, I don't want to be caught on camera as the wolf with the weak backhand...

Oh, you worry way too much.

HEEEY!

Wassup, newbies?

Lemme guess: using night vision to get some matches in, away from all the locals?

That's *our* routine.

Good dogs think alike, hmm?

Hah! And I thought I was being clever.
You two up for some doubles?

Yeah, we're up.

Maybe down, too.

Ooooo~! I like you, flop-top.
Winner picks?

...Winner picks what?

Winner picks.

You'll see, honey. Now serve.

M H M F!

...Sorry.
Bad habit.

Aaah, but *that's*
a point for us, newbie.
You two lose.

Don't feel
down, honey.
It's all in
good sport.

Winner picks,
and I pick *you*.

Have fun,
boys!

Have fun
with wha-

-oooooooooh.

Okay, yeah,
I'm into this.

Seems so
obvious, now that
you say it.

Ever do it with a guy, newbie?

Uh, heh heh, uh, yeah, a little bit...

Only a *little*?

Let's see...

Hff-hff...

Aaaahahaha, you liar!

I smell *lots* of man on you.

And such a *bulky* package!

Come on then, newbie, *bigger!*

B-bigger?

Come on, *grow for me!* Show me what you can swing around!

I-I don't think I've ever...

Please, newbie, I won you fair and square...

Please, tell me...

...how big can you make your balls?

hhnnaahffmm...

I-I-I, um...

Orange?
Coconut?
Honeydew?

I-I've never tested it...

Oh?
What about your...

Tongue?

MMHHMMMMMMMM...

AAaaahhh...

Good boy!
On your back!

Haaah!

That's right!

Think of swelling...

Think of what you wanna do with 'em...

Aaah! What would I...

Sounds like my boy and your boy are getting along.

Right? It's so nice to see he's making friends.

So...

You didn't tell him that we planned this?

Eh, I had meant to.

Eventually.

...You're a bitch sometimes, y'know that?

Takes one to know one, sugartits.
